**Subject:** Successful Completion of ISO 13485:2016 External Audit – Mission Plastics US (MPI US) & Mission Plastics Mexicali (MPI MX)

Dear Valued Customer,

We are pleased to formally announce that both Mission Plastics facilities—**Mission Plastics Inc. (Rancho Cucamonga, CA – MPI US)** and **Mission Plastics of Mexicali (Mexicali, B.C. – MPI MX)**—have **successfully completed the ISO 13485:2016 External Audit**, which concluded on **Monday, December 8, 2025**.

This achievement confirms that our Quality Management System continues to meet the rigorous requirements of ISO 13485, supporting our ongoing commitment to excellence in medical manufacturing, regulatory compliance, and customer satisfaction.

As part of the audit outcome, **each location will receive its own ISO 13485 certificate**.

The certification body has informed us that the updated certificates are expected to be issued within **30–45 days from December 8, 2025**. We will promptly share the new certificates with you once received.

We sincerely appreciate your trust and partnership. Mission Plastics remains dedicated to continuous improvement, strong quality controls, and delivering products that meet the highest industry standards.

If you have any questions or need documentation for your records, please feel free to contact us.

Thank you for your continued support.

Warm regards,

**Francisco Rangel**
